

Black Leg Ranch

Located just 25 miles southeast of Bismarck, the historic Black Leg Ranch has a variety of options to meet your event needs. Between our three on-site lodges, Copper Jewell Barn, and micro-brewery, our dedicated event team will be able to customize your experience accordingly while providing unique and personal touches that traditional venues cannot duplicate.

Homesteaded in 1882, Black Leg Ranch takes pride in honoring history and traditions of the past while encompassing a versatile setting to create new traditions of your own. We invite you and your guests to enjoy the natural beauty, history and an unforgettable experience at one of the most beautiful venues in the Midwest.

Copper Jewell Barn

This 13,000 square foot event space, once a feed barn and Quonset hut about one-quarter that size, opened its doors to events in 2014 and is now a state-of-the-art entertainment venue that has been listed by U.S. News Travel Guide as one of the top wedding destinations and values in the country. Named after 2nd generation Jewell Doan Sr., who built the original barn, and with its added beautiful copper exterior, this showstopper building is now the focal point of the ranch. With preserving the integrity and history of the building and ranch, each part of the barn tells a story about the homestead. From custom made wagon wheel and barbwire chandeliers, to 130 year old ranch wood and Soo Line railroad lumber throughout, this historic and unique venue evokes western charm and creates a one-of-a-kind atmosphere and experience.

As of 2018, the back of the barn is now home to Black Leg Brewery, the ranch's latest business venture. The micro-brewery is proudly serving the flagship's "*Copper ALE*" & "*Honey Drop*", brewed with local grown and malted barley, fermented with North Dakota honey, and the ranch's 230ft deep well water for added uniqueness, with other custom creations soon to be crafted and on tap. The fully-automated brew house is equipped with a 15-barrel, 30 keg system and welcomes any and all for tours and to pull up a stool to the saloon for a tasting.
